Kentucky	157	Ohio	1,342		

Summary:

HITECH funded two distinct health IT workforce training programs: the University-Based Training Program and Community College Consortia Program. In total the two programs trained 21,437 students from all 50 states, the District of Columbia, Puerto Rico, and the U.S. Virgin Islands at 91 academic institutions.

For more information, please read the Workforce Development Programs [Final Evaluation Report](#), completed by NORC of the University of Chicago.
